

Introducing **Leadway's FAMILY BENEFIT PLAN**

A Befitting Story!

Dear Valued Customer,
We wish to introduce you to Leadway's Family Benefit Plan (FBP) .

What is the **Family Benefit Plan (FBP)** ?

It is a plan designed to provide financial benefit on the death of any of the insured lives covered in the plan. The buyer of the policy (Policy Holder) can include Spouse, Parents and Parents In Law, so up to 6 lives can be insured under this single policy.

The Features

- The FBP has 3 categories of benefits available:
 - **BRONZE plan:** 300,000
 - **SILVER plan:** 500,000
 - **GOLD plan:** 1,000,000
- You can choose to have the above Sum Insured increased every year by 5% to account for Inflation.
- The maximum age of Policy Holder at entry is 60 years. Policy Holder or spouse however must be less than 50 at inception of cover to include
- Parents must be under 75 years at the time of policy inception.
- Any person assured can only be covered once and maximum payout per person is restricted to N1m.
- The Policy Holder is the beneficiary should any of the insured lives die. Otherwise a named beneficiary

How it works

- As a proposer, you decide on the category of benefit required and how many other lives you want included in the Policy.
- Premium is payable monthly, quarterly or annually.
- Six month waiting period applies to all lives except on accidental death
- Policy Commences on receipt of 1st
- All premiums paid enjoy tax relief on Personal Income Tax under the current tax regime.

What's in it for me

- Prompt Benefit Payment!
- You will enjoy a worldwide risk coverage
- You and any of the Assured Lives chosen are covered for a fixed sum of up to N1 million which is payable on first death only.
- It makes it possible for you to defray expenses in the event of the death of any of the insured lives and provides
