# Corporate Information

## INTRODUCTION

LEADWAY ASSURANCE COMPANY LIMITED ('LEADWAY') is one of Nigeria's foremost insurance service companies, with a reputation for service efficiency and customer reliability. For 5 decades, LEADWAY has honored its underwriting commitments and has earned its reputation of excellence in claims handling. The evolution of LEADWAY since 1970 has mirrored the dramatic expansion of indigenous insurance service providers, with LEADWAY remaining in the forefront as an insurer of repute. The reputation enjoyed today by LEADWAY has been attained by the continuing pursuit of improvements to maintain competitive advantage. All aspects of the business are approached with discipline; the recruitment of staff, the development of products, the advancement of technologies and the personal service offered to each client.

# Corporate Information

## EQUITY BASE

LEADWAY has a Shareholder's Funds of over ₦ 67 billion (Sixty-seven billion naira). The Company has also enjoyed a steady growth in total assets, which currently stands at over ₦ 523 billion (Five hundred and Twenty Three billion naira) as at December, 2020. The Company has no loan stock, and internally generates funds for capital projects, backed by a carefully planned investment portfolio.

# Corporate Information

## INVESTMENT

One of the strengths of **LEADWAY** is its investment portfolio being one of the largest in the insurance industry. The Company has over the years strengthened its participation in the Nigerian Equity & Debt capital market holding a significant value of Equity and Fixed income instruments in both government and private sector. These can be found in diverse industries such as banking, insurance, manufacturing, oil & gas, hospitality etc.

Our total investment portfolio is valued at over ₦322 billion.

Within this spread of investments and because of its significant holdings, **LEADWAY** has nominees on the Board of several companies including:

- **Prestige Assurance Plc.**
- **C & I Leasing Plc.**

# Corporate Information

## INVESTMENT

The Company is also an active player in the money market with over ₦ 21.5 billion deposit placement in reputable and A+ rated banks and other financial institutions. The Company's portfolio of fixed income instruments is over ₦277 billion consisting mainly of Federal and State government bonds.

# The Foundation

**LEADWAY** has enjoyed a steady growth in its commitment to providing integrated insurance services to its numerous customers. The Company's remarkable success has been possible because of its sound professional and business standards backed by the uncompromising level of integrity of its Directors. This is a tradition imbibed at **LEADWAY** and instilled by its late founder, **Sir (Dr.) Hassan O. Odukale, (KJW, FCIIN)**.

An astute, honest businessman, founding Managing Director and later Chairman of the Board of Directors, Sir Odukale nurtured the Company to an enviable position in the Nigerian insurance industry. His vision of dedicated service to all customers remains a guiding principle that shapes the policies of the company.

# The Leadership

The current Board of Directors consists of eminent Nigerians and seasoned businessmen of proven personal integrity.

**Gen. Martin Luther Agwai** is the Chairman of the Board while other non-executive members are **Ms. Hadiza Aliko Mohammed, Mr. Odein Ajumogobia, Mr. Martyn Parker, Ire Hassan-Odukale, Mr. Ademola Odeyemi and Mrs. Adebisi Lamikanra. Mr. Tunde Hassan-Odukale** is the Managing Director / Chief Executive while **Ms. Adetola Adegbayi**, is the Executive Director, General Insurance.

These people have between them over a century of combined business experience with about half relating to insurance business. A separate profile of Directors is featured herein.

# Business Information

**LEADWAY** is registered under the Insurance Act, 2003 to underwrite Life & General insurance businesses, including Special Risks such as Oil, Gas and Power.

**LEADWAY** offers a fully integrated service covering the full spectrum of insurance products and allied financial services, some of which are as follows:

### REINSURANCE

LEADWAY is aware of its customers' risk financing objectives and security. As a result, the Company ensures that its insurance policies are carefully backed up with world-class reinsurance arrangements. For over two decades, we have maintained a good relationship with Swiss Reinsurance Company. This widely known international reinsurance company leads on our major Treaties.

Other companies participating on our treaties are Africa Reinsurance Corporation, Scor Africa, Continental Reinsurance Plc. and General Insurance Corporation of India. The Treaty arrangement for 2018 has been concluded with these companies and LEADWAY will be happy to provide further details as required.

CONTINUE NEXT PAGE ►

### CLAIMS PROCEDURE

The Company's claim settlement procedure is simple and devoid of unnecessary bureaucracy. Motor claims, for example, are registered and adjusted in all LEADWAY branch offices, nationwide; while settlement within specified limits are done from these branches.

Amounts outside the specified limits are done either from our Corporate Office in Lagos or Registered Office in Kaduna. For other policies that might require the appointment of loss adjusters, claims may be registered at any branch office and appointment of loss adjuster will depend on complexity and location of the loss. Under an arrangement with two of our principal bankers [Citibank & First Bank of Nigeria], we are able to use an On-line banking and fund transfer service to deliver 'claim' cheques to local branches within 12 hours of receiving the appropriate discharge voucher.

IT Infrastructure

## IT Infrastructure

Our purpose in Leadway IT Services is to enable the Company offer convenience, simplicity and value to earn our customers' trust.

We drive satisfaction by creating digital experiences and tools that meet our customers' needs. We enable simpler, better and faster access to insurance products and services by leveraging technology. Our focus is building the platforms and partnerships that create internal efficiencies and improve the level of insurance penetration in Nigeria and beyond.

Leadway's technology platforms are built on secure and robust technology infrastructure. Our information systems support back, middle and front office operations via our ERP, Core systems and digital channels respectively. Our customer management platforms also create one of a kind customer experience. Using data and analytics, we enable Leadway management make data led decisions for the benefit of our customers. Our technology platforms also support Leadway's "Ecosystem Philosophy". We are integrated with markets and communities that are external to us, via APIs.

CONTINUE NEXT PAGE ►

Leadway's technology team is seasoned and multi-disciplinary, comprising individuals with deep skills in Enterprise and Solution Architecture, Service Management, Solution Development and Project Management amongst others. We have adopted modern work methods, capabilities and partnerships in existing and new digital technologies to complete some of the most advanced projects in the Nigerian Insurance Industry."
