If such additional terms of use or conditions apply, we will bring them to your attention, and you will be bound by them. 1.6 As part of your use of our Online Sites or Site Content, you may need to agree to the terms of use of a website or application that is owned and/or hosted by one or more third-party providers. If any term within these Online Terms should conflict with any third party's terms of use, the latter will prevail to the extent of the conflict insofar as your use or access to that third party site or third party application is concerned.

1.7 As LEADWAY's Online Sites develop and as technology evolves, LEADWAY will continue to strive to provide you with better online services. LEADWAY encourages you to review these Online Terms as they will be updated from time to time.

2. Links to other websites

2.1 An Online Site may contain links to other websites (including other social media websites) or applications which are owned or operated by third parties independent of LEADWAY ("**Third Party Sites**"). LEADWAY does not sponsor, endorse or approve of the operators of Third Party Sites, or material (including services, information, graphics, or data) which is located on such Third Party Sites ("**Third Party Material**").

2.2 An Online Site may contain or link to information about special offers, deals or promotions by persons not related to or part of LEADWAY ("**Third Party Offers**"). LEADWAY does not sponsor, endorse or approve of any Third Party Offers or Third Party Material associated with these offers.

2.3 Subject to any applicable law which cannot be excluded, LEADWAY makes no warranties or representations:

2.3.1 regarding the quality, accuracy, merchantability or fitness for purpose of Third Party Material, or products or services available through Third Party Sites; or

2.3.2 that Third Party Material does not infringe the intellectual property rights of any person.

2.4 LEADWAY is not authorizing the reproduction of Third Party Material by linking Site Content to Third Party Material.

2.5 When following a link on an Online Site, material at a Third Party Site may be displayed in your browser framed by Site Content. This material is also Third Party Material for these Online Terms.

3. Your privacy

Your privacy and security are important to LEADWAY. Read terms 25 to 35 for information (the 'Privacy Statement' component) about how LEADWAY handles the information you provide it when you use one of our Online Sites.

4. LEADWAY's Main Site: product information, insurance purchase and renewal

4.1 Main Site content

The LEADWAY Main Site contains both information of a general nature about LEADWAY and LEADWAY's products and services, and also enables you to purchase or renew and pay for some insurance products and services online.

The LEADWAY Main Site also enables you to lodge and manage certain claims online as well as manage certain LEADWAY insurance policies online using LEADWAY's online tools at the self-service part of the Main Site ("**LEADWAY's online tools**") subject to these Online Terms, including the specific terms of use for LEADWAY's online tools set out in term 6.

4.2 Completing transactions on the Main Site

4.2.1 When entering into a transaction via the Main Site, whether it be the issuance of an insurance contract, a renewal payment, or a transaction relating to any other product or service, the transaction will not be completed until an "**Electronic Instruction**" (being any electronic instruction, information, message, request or communication issued or transmitted to LEADWAY via the Main Site) containing the acceptance from you to LEADWAY's offer, or the confirmation of payment from you, whichever is applicable, has been received and processed by LEADWAY, and any specific steps or requirements as set out in this term 4, have been complied with.

4.2.2 You acknowledge that the transmission of your acceptance or the confirmation of any payment, made through an Electronic Instruction, may not be received by LEADWAY in accordance with this term 4 for reasons beyond either party's reasonable control including, but not limited to, mechanical, software, computer, telecommunications, or electronic failure, or the omission or failure of third party service providers or systems.

4.2.3 You further acknowledge that, to the extent permitted by law, LEADWAY is not liable to you in any way for any loss or damage at all and however caused, arising directly or indirectly in connection with the transmission of an Electronic Instruction through the Main Site, or any failure to receive an Electronic Instruction for whatever reason.

4.3 Purchasing insurance policies

4.3.1 Where the Main Site enables you to purchase insurance products or services online:

(a) The parties may enter into an insurance policy using the Main Site by LEADWAY making an electronic offer via the Main Site and you electronically communicating your acceptance of that offer via the Main Site to LEADWAY, and strictly subject to your express consent;

(b) LEADWAY may act on and process all completed Electronic Instructions transmitted or issued through the Main Site without further consent from or reference to you; and

(c) LEADWAY may treat an Electronic Instruction as authentic and is under no obligation to investigate the authenticity or authority of persons issuing or transmitting such Electronic Instructions, or to verify the accuracy and completeness of such Electronic Instructions.

4.3.2 Creating a binding insurance contract with LEADWAY via the Main Site is a two-step process:

(a) The first step is to create a quote for the insurance product you are interested in and have selected. Upon completion by you of all required details, the Main Site will provide you with a quote, identified by a quote number, and

(b) If you wish to purchase insurance in accordance with a quote provided to you by LEADWAY via the Main Site, then, upon completion by you of all required details, step two enables you to accept that quote and create a binding insurance agreement with a corresponding LEADWAY policy number.

4.3.3 When entering into a contract via the Main Site, you will be taken to have communicated your acceptance to an offer of insurance from LEADWAY only when:

(a) The Electronic Instruction containing the acceptance from you is entered and is recorded in the main LEADWAY database or relevant Leadway Group database (both collectively referred to in term 4 as "**Relevant Database**");

(b) a record is created and stored in the Relevant Database;

(c) a LEADWAY policy number is generated by the Relevant Database; and

(d) LEADWAY receives all required details of a current and valid payment card or current and valid financial institution account number (in either case a card/account which you are authorized to use and which is of a card/account type accepted by LEADWAY), and to which LEADWAY can charge/debit the premium.

4.3.4 Some LEADWAY insurance policies available through the Main Site may offer a deferred payment option. Where this option is available and selected by you, term 5.3 of these Online Terms will additionally apply.

4.3.5 If you elect to pay your premium by instalments, then you may be able to select the particular day of each month (or other instalment period) on which your payment card or financial institution account number will be automatically charged/debited for the relevant payment. If you elect to pay your premium by instalments, the additional terms and conditions applicable to that payment arrangement will be made available to you as part of your policy documents (whether by way of Product Disclosure Statement, Supplementary Product Disclosure Statement and/or a Direct Debit Request Service Agreement), as well as any relevant insurance purchase or variation transaction.

4.3.6 A binding insurance contract is conditional when LEADWAY can successfully charge against your nominated payment card or debit your financial institution account number, and LEADWAY receives payment of your applicable premium (either by a single payment or where permitted in instalments).

4.3.7 Where a transaction is entered into between LEADWAY and you via the Main Site, a policy number will be issued by LEADWAY via the Main Site. However, a binding insurance agreement is not conditional on the issuance or receipt by you of a policy number but is conditional upon LEADWAY receiving your premium payment or your current and valid payment card (or financial institution account number) details and a valid policy commencement date election and if you elect to pay by instalments, a valid direct debit day election. Therefore, the failure by you to receive a policy number via the Main Site does not invalidate or otherwise prejudice the existence of an insurance contract or transaction entered into using the Main Site.

4.3.8 LEADWAY may or may not issue a paper confirmation of the insurance policy. The existence of a binding contract is not conditional on LEADWAY issuing, or you receiving, a paper confirmation of the transaction.

4.3.9 You are responsible for ensuring that you receive a policy number and should contact LEADWAY if one is not received.

4.3.10 Where you only complete a quote on the Main Site and select an alternate payment option (meaning not a payment card payment online, or a financial institution account debit payment or a „deferred payment option“ referred to in term 5.3), a binding insurance agreement is not created. Instead, you will need to make a payment via an alternate option. When paying by an alternate payment option, a binding insurance agreement will only be

created once LEADWAY receives your full premium payment, or when LEADWAY receives your first premium instalment if we have offered this payment option to you and you have agreed to pay us your premium by instalments.

4.4 Renewal payments

4.4.1 The Main Site may offer an online facility for renewal payment of certain LEADWAY insurance policies with selected payment cards.

4.4.2 The policy renewal notice will indicate whether online renewal payment is available.

4.4.3 When the renewal payment facility is available, an online renewal payment can be made by following the “Make a payment” link on the Main Site.

4.4.4 When making a payment for a policy renewal via the Main Site, you will be taken to have renewed that policy only when:

(a) The Electronic Instruction containing the policy number, premium amount due and payment card details, and an instruction from you to renew the policy, is entered and recorded in the Relevant Database;

(b) LEADWAY receives all required details of a current and valid payment card which you are authorized to use, which is of a payment card type accepted by LEADWAY, and to which LEADWAY can charge the premium;

(c) a record is created and stored in the Relevant Database;

(d) a LEADWAY receipt number is generated by the Relevant Database; and

(e) The relevant database is updated with information from the payment database.

4.4.5 A binding insurance contract is conditional on LEADWAY being able to successfully charge against your nominated payment card and LEADWAY receiving payment of all applicable renewal amounts due for the policy (or policies) being renewed (either in a single payment or where permitted in instalments).

4.4.6 Where a deferred payment option is available and selected by you, term 5.3 of these Online Terms will additionally apply.

4.4.7 LEADWAY, at its discretion, may or may not issue a paper confirmation of the renewal payment. The existence of a valid payment is not conditional on LEADWAY issuing, or you receiving, a paper confirmation of the transaction.

5. LEADWAY's Main Site: payments

5.1 All payments for any insurance products, renewals, amendments, claim excess payments or other services purchased via the Main Site (including additional premium or other payments which arise from policy amendments made using LEADWAY's online tools, as described in term 6.6), must be paid in full by clear funds by the due date specified in the relevant confirmation.

5.2 Except as specifically set out in terms 5.3 or 5.4 below, and unless provided for otherwise, all payments referred to in term 5.1 above are to be made by permitted payment cards (or permitted financial institution account debits, as relevant) at the time of purchase, renewal, amendment or claim excess payment (as the case may be) in relation to the applicable LEADWAY policy or service.

In the case of a payment card transaction, you must therefore provide to LEADWAY details of your permitted current and valid payment card, including:

- (a) Payment card type;
- (b) Name on payment card;
- (c) Payment card number;
- (d) Card verification value (CVV); and
- (e) Expiry date.

In the case of a financial institution account debit, you must provide LEADWAY with details of your permitted current and valid financial institution account, including:

- (a) The name of your financial institution;
- (b) The full name of the account holder; and
- (c) The account number and its Sort Code.

5.3 When you purchase or renew some LEADWAY policies that are available through the Main Site, you may be offered a deferred payment option. Where this option is available and selected by you, LEADWAY will, in accordance with these Online Terms and the relevant Product Disclosure Statement and terms and conditions of the applicable LEADWAY product or service, issue you with insurance cover (from the cover start date you select) and an account for the full insurance policy premium. Full payment must be made in relation to such insurance cover in accordance with the account payment notice sent to you, and the Product Disclosure Statement and the terms and conditions of the applicable product or service, which will always apply. Failure to pay in accordance with these requirements will result in potential cancellation of insurance cover, as permitted by law.

5.4 If you amend your LEADWAY insurance policy using LEADWAY's online tools such that an additional premium or sum is due, then you may be offered a deferred payment option. Where this

option is available and selected by you, LEADWAY will, in accordance with these Online Terms and the relevant Product Disclosure Statement and terms and conditions of the applicable LEADWAY product or service, send you an account for any additional premium or sum due in relation to the policy amendment(s) selected by you. Please contact LEADWAY if you do not receive this account. Full payment must be made in relation to such policy amendments in accordance with the account notice sent to you, the Product Disclosure Statement and the terms and conditions of the applicable LEADWAY product or service. The amendment to your policy will take effect on the date the amendment is processed via LEADWAY's online tools. However, if you fail to pay the additional premium or charge within the designated period, as stated on your account or otherwise advised, the applicable addition or amendment to your policy for which payment is not received will be cancelled, in accordance with the Product Disclosure Statement and the terms and conditions of the applicable LEADWAY product or service.

5.5 If you pay your claim excess using LEADWAY's online tools, your payment will be processed in accordance with these Online Terms, the relevant Product Disclosure Statement and any other terms and conditions specific to the particular transaction. If you fail to pay your applicable claim excess, whether via LEADWAY's online tools or through another payment method we offer, we may not provide you with the cover or policy benefit you have claimed for. Refer to the relevant Product Disclosure Statement and your Policy Schedule for more information about your claim excess.

LEADWAY reserves the right to reduce or deny any claim you make under an applicable LEADWAY policy and/or cancel the applicable policy if the duty of disclosure has not been complied with.

10. Social media content you submit to our Social Media Sites

10.1 When a user of any of our Social Media Sites (“**Social Media Site User**”) submits any personal information or materials via a Social Media Site including text, comments, recordings, images or otherwise (“**Social Media Site User Content**”), the Social Media Site User, unless LEADWAY advises otherwise, licenses and grants LEADWAY, its affiliates and sub-licensees a non-exclusive, royalty-free, perpetual, worldwide, irrevocable, and sub-licensable right to use, reproduce, modify, adapt, publish and display such Social Media Site User Content for any purpose in any media (including but not limited to, company brochures and other marketing and/or advertising material), without compensation, restriction on use, attribution or liability. 10.2 Users agree that they are fully responsible for the Social Media Site User Content they submit. Social Media Site Users warrant and agree that: (a) they will not submit any Social Media Site User Content that is unlawful, fraudulent, or which may breach any intellectual property rights, privacy, publicity or other right, or is unreasonably commercial (for example, a „guerrilla marketing“ attempt), defamatory, obscene, profane, derogatory, pornographic, sexually inappropriate, violent, abusive, harassing, threatening, objectionable with respect to race, religion, origin or gender, not suitable for children aged under 15, misleading or deceptive, or otherwise unsuitable for publication; (b) they will obtain prior consent to the submission of their Social Media Site User Content from all persons who appear in (for example, in photographs) or have any rights in relation to any property that appears in or forms part of their Social Media Site User Content; (c) their Social Media Site User Content will be their own original work and, to the extent that any rights in that work (including copyright) are not owned by the Social Media Site User, they will obtain full prior consent from any person who has jointly created or has any rights in the Social Media Site User Content, to the uses and terms herein; (d) their Social Media Site User Content shall not contain viruses or cause injury or harm to any person or entity or device; and (e) they will comply with all applicable laws and regulations, including without limitation, those governing copyright, content, defamation, privacy, publicity and the access or use of others' computer, mobile communications device or any other communication systems.

10.3 Without limiting any other terms herein, the Social Media Site User agrees to indemnify LEADWAY (and any of its related bodies corporate) for any loss or expense LEADWAY and/or any of its related bodies corporate may suffer in relation to any breach of the above terms.

10.4 Social Media Site Users consent to any use of their Social Media Site User Content in accordance with term 10 which may otherwise infringe their moral rights pursuant to the Nigerian Copyright Act 2022, including LEADWAY or its affiliates and sub-licensees using and reproducing that Social Media Site User Content without attributing it to the Social Media Site User, or making modifications or adaptations to the Social Media Site User Content for the purpose of reproducing, publishing or displaying that modified or adapted content in another media. Social Media Site Users warrant and agree that they will, before its submission, obtain an equivalent consent from each other person who has created the Social Media Site User Content. The Social Media Site User agrees to indemnify LEADWAY (and any of its related bodies corporate) against all costs and claims by third parties arising from a breach of this warranty.

11. Warranties

13. Indemnity

You indemnify LEADWAY (and any of its related bodies corporate) in respect of any liability incurred by LEADWAY (or any of its related bodies corporate) for any loss, cost, damage or expense, howsoever caused, suffered by LEADWAY (or any of its related bodies corporate) as a result of your breach of these Online Terms or your use of any of our Online Sites.

14. No advice

No Online Site purports to provide you with financial products or investment advice of any kind. The information available via an Online Site does not take into account of your particular financial or insurance position or requirements. LEADWAY suggests that you seek independent advice before acting upon any Site Content or any information found on a Third Party Site.

15. Availability of an Online Site

15.1 Since electronic services are subject to interruption or breakdown, access to an Online Site is offered on an “as is” and “as available” basis only.

15.2 LEADWAY may impose limits or restrictions on the use you may make of an Online Site. Further, for security, technical, maintenance, legal or regulatory reasons, or due to any breach of these Online Terms, LEADWAY may withdraw an Online Site (of part thereof) at any time and without notice to you.

15.3 Any cost associated with accessing an Online Site is the user’s responsibility and is dependent on the internet or telecommunications service provider used.

16. Restrictions on Use of an Online Site

The Site Content contained on any Online Site is provided solely for bona fide personal or commercial customers only. By accessing, viewing or otherwise using any of LEADWAY’s Online Sites, you agree to abide by the terms and conditions of use contained in this term and term 17.
